Policy of Decentralization and Participative Management

The Institution always believe in the practices of decentralization and participative management. Practice of decentralization is having own significance in the management. It reflects the policy decision making, planning and administration, and office management. Management and Administration is responsible for quality initiative to promote education to all sections. The Institution enhances the quality at various levels - Governing Council, College Development Committee, IQAC Committee, various college committees, administrative and Non-teaching Staff, NCC, NSS, all the stakeholders involve in the decentralization and participative management all are working together for efficient functioning of the Institution.

1. Management:

The Institution promotes a culture of decentralization and participative management involving all types of stakeholders in the process of decision making. The management always believes in decentralization and participative management. The management endeavors best substantial in dependence to the Institutions in all area of decision-making process.

2. Administration:

The College administration plays an integral role, leading and supporting the development and implementation of policies, programs, and initiative that are associated with the vision and mission of the college. The administration ensures the smooth functioning in the all areas like Admissions, Account and Finance and Record Keeping.

3. Faculty Members

Faculties should maintain the healthy relationship with all the stakeholders. The faculties execute the policies and programs accurately and constructively designed by management. Professional ethics should be followed by faculty members while imparting teaching learning process.

4. Departments

The Primary role of the department is to provide the academic excellence in all activities. The Departments and Head of the Department are performing their role and responsibilities initiated with the vision and mission of the college.

5. Non-Teaching Staff

In the administration, non-teaching staff should play crucial role in managing the day-to-day work. The non-teaching staff should perform the duties in the interest of the stakeholders.
